**Generous Texans and Local Restaurants Helping to Feed Youth and Families in Need**

The program is a partnership between the Governor's Public Safety Office, the Texas network of Family and Youth Success Programs (formerly called Services to At-Risk Youth), Favor Delivery, and the Texas Restaurant Association.

Last week Governor Abbott introduced the Comfort Food Care Package (CFCP) program. Comfort Food Care Packages will provide meals for at-risk youth and families across Texas in response to COVID-19. As part of the program, participating restaurants offer CFCPs for patrons to purchase on behalf of families and youth in need. Each care package contains enough food to feed a family of 5 to 6 and will be delivered to recipients' homes. The program is a partnership between the Texas Restaurant Association, Governor's Public Safety Office, and Favor Delivery. To learn more about the program and participating restaurants visit the [Texas Restaurant Association](#) and find a list of statewide participating programs [here](#). Please also review the Program [FAQ](#).
